

Ban on heavy vehicles during non-business hours.

Approved by the Sierra Crest Board of Directors on October 21, 2021.

1. With the exceptions noted below, no heavy or oversize vehicles will be permitted access to the Sierra Crest subdivision:
 1. Before 7:00 a.m. or later than 7:00 p.m. Monday – Saturday.
 2. On Sundays or National or State Holidays
2. The Guard service will enforce this rule and deny access to applicable vehicles.
3. Heavy trucks/oversize vehicles are defined as:
 1. Trucks or vans with trailers
 2. Trucks or vans larger than a 1-ton pickup
 3. Commercial, non-passenger vehicles such as cement trucks, cranes, construction and boom lifts, backhoes/loaders, Port-a-John service vehicles, etc.
 4. Vehicles with three or more axles.
4. Exceptions:
 1. Emergency service vehicles and utility vehicles
 2. Commercial parcel delivery vehicles (UPS, FEDEX, DHS, USPS, Amazon, etc.)
 3. Busses and passenger vans
 4. An owner may request a one-day exception by contacting the Guard House the day before. The request must be made by the owner, not a representative or contractor, after due consideration of the vehicles' impact on traffic and noise in the neighborhood. Multi-day exceptions are not permitted without approval of a member of the SCHOA Board of Directors.
