Provided however that such subordination shall apply only to Assessments which have become due and payable prior to a foreclosure by any lender under the terms and conditions any such mortgage or Deed of Trust. Such foreclosure shall not relieve any new Owner from the liability of any new Assessments thereafter becoming due or from any lien arising out of any such subsequent Assessments. Notwithstanding anything to the contrary herein, a lien for Assessments shall be unaffected by a foreclosure of other than a first lien created by a Deed of Trust or Mortgage.

Section 6.08. Collection and Enforcement. Architectural Guidelines, and as to location with respect to topography and finish grade elevation. The Committee shall have broad, discretionary authority to interpret and apply the standards set forth in this Declaration.

Section 7.06 Inspection; Correction of Defects. Inspection of work and correction of defects therein shall proceed as follows:

a. Right to Inspect. The Architectural Review Committee or its duly appointed representative may at any time inspect any improvement for which approval of plans is required hereunder. However, the Architectural Review Committee's right of inspection of improvements for which plans have been submitted and approved shall terminate sixty (60) days after the work or improvement has been completed and the respective Owner has given a notice of completion to the Architectural Review Committee. c. Failure to Provide Notice. If for any reason the Architectural Review Committee fails to notify the Owner of any noncompliance with the Owner's previously submitted and approved plans within sixty (60) days after receipt of notice of completion from the Owner, the Improvement shall be deemed to be in accordance with such approved plans.
