**Section 3. Maximum Annual Assessment.** Prior to January 1, 2004, the Declarant shall set the maximum Annual Assessment at a uniform amount from \$100.00 per Lot to \$500.00 per Lot for each Residential Area. After January 1, 2004, the maximum Annual Assessment may be increased each year up to but not more than five percent (5%) above the maximum Assessment for the previous year without a vote of the membership. **Section 5. All Lots.** Notwithstanding anything to the contrary contained herein, assessments (regular or special) for costs associated with maintenance, repair and replacement of Common Areas shall be assessed against all Lots.

Not such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

**Section 7. Rates of Assessment.** Both Annual and Special Assessments may be fixed at different rates for Lots in each Residential Area. To determine the actual rate for a particular Residential Area, the Association shall first determine the costs and expenses which primarily or exclusively benefit a particular Residential Area. These costs shall be allocated to the Residential Area primarily or exclusively benefited. The Association shall then determine the costs and expenses which relate to Exclusive Common Areas. The costs shall be allocated to the Lots in those Residential Areas to which the Exclusive Common Area is assigned.

**Section 8. Date of Commencement of Annual Assessments and Due Dates.** The Annual Assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Use Open Space. The Association shall also be entitled to collect a late charge in such amounts and upon such conditions as the Board of Directors may from time to time determine.

**Section 9. Effect of Nonpayment of Assessments: Remedies of the Association.** Any Assessments which are not paid when due shall be delinquent. If the Assessment is not paid within thirty (30) days after the due date, the Assessment shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum and shall constitute a lien or charge against the Lot which has been assessed. The Association may bring an action of law against the Owner personally obligated to pay the same. Or foreclose the lien against such Owner's Lot. Interest, costs and reasonable attorney's fees of any such action shall be added to the amount of such Assessment. Each Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the SAN CLEMENTE ESTATES OWNERS ASSOCIATION or its agents the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as provided in a deed of trust with power of sale and such Owner hereby expressly grants to the Association a power of sale in connection with said lien. The lien provided for in this section shall be in favor of the Association and shall be for the benefit of all other Lot Owners.

The Association acting on behalf of the Lot Owners shall have the power to bid in the interest foreclosed at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. No owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Use Open Space or abandonment of his Lot.

**Section 10. Subordination of the Lien to Mortgages.** The lien for Assessments provided for herein shall be subordinate to any purchase money first Deed of Trust lien on a Lot. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to a superior purchase money Deed of Trust Trustee's sale shall extinguish the

lien for such Assessments as to payments which became due prior to such sale or transfer. Otherwise, no sale or transfer shall relieve such Lot from the lien thereof.

Section 11. Exempt Property. All properties dedicated to and accepted by a local public authority, the Common Use Open Space and Private Street shall be exempt from the Assessments created herein.

Section 12. Management Agreements. Each Owner of a Lot hereby agrees to be bound by the terms and conditions of all management agreements entered into by the Association. A copy of all such agreements shall be available to each Owner. Any and all management agreements entered into by the Association shall provide that said management agreement may be canceled by an affirmative vote of the majority of votes of members of the Association at a meeting at which a quorum is present. In no event shall such management agreement be canceled prior to the effecting by the Association or its Board of Directors of a new management agreement with a party or parties, which new management agreement will become operative immediately upon the cancellation of the preceding management agreement. It shall be the duty of the Association or its Board of Directors to affect a new management contract. Any and all management agreements shall be made with a responsible party or parties having experience adequate for the management of a project of this type. This paragraph shall not be construed to mean that the Association is obligated to engage a manager. The Association may manage its affairs through its members on such terms as the Association may determine.

Section 13. Insurance. The Board of Directors or its duly authorized agent shall have the authority to and shall obtain insurance for any improvements owned by the Association against loss or damage by fire or other hazards in an amount sufficient to cover the full replacement of such improvements in the event of damage or destruction from insured risks, and shall also obtain a public liability insurance policy covering the Association, in amounts of not less than \$1,000,000 per occurrence for injury or death to persons and \$100,000 for damage to property. Said insurance may include coverage against vandalism. Premiums for all such insurance coverage shall be written in the name of the Association. It shall be the individual responsibility of each Owner at his own expense, to provide, as he sees fit, hazard insurance, homeowner's liability insurance, theft and other insurance covering real and personal property damage and loss.

Section 14. Indemnification. The Association shall indemnify every officer, director, and committee member against all expenses, including counsel fees, reasonably incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board) to which he or she may be a party by reason of being or having been a officer, director, or committee member.

The officers, directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association). The Association shall indemnify and forever hold each such officer, director and

committee member harmless from any and all liability to others on account of any such contract, commitment or action. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any present or former officer, director, or committee member may be entitled. The Association shall procure a policy of director' liability insurance to fund this obligation, if such insurance is reasonably available and the premiums therefore are reasonably priced.

**Section 15.** Security. The Association may but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. NEITHER THE ASSOCIATION, THE DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL IN ANY WAY BE CONSIDERED INSURERS OR GUARANTORS OF SECURITY WITHIN THE PROPERTIES, NOR SHALL ANY OF THEM BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR OF INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. NO REPRESENTATION OR WARRANTY IS MADE THAT ANY FIRE PROTECTION SYSTEM, BURGLAR ALARM SYSTEM OR OTHER SECURITY SYSTEM CAN NOT BE COMPROMISED OR CIRCUMVENTED, NOR THAT ANY SUCH SYSTEMS OR SECURITY MEASURES UNDERTAKEN WILL IN ALL CASES PREVENT LOSS OR PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR INTENDED. EACH OWNER ACKNOWLEDGES, UNDERSTANDS AND COVENANTS TO INFORM ITS TENANTS THAT THE ASSOCIATION, IT'S BOARD OF DIRECTORS AND COMMITTEES, DECLARANT, AND ANY SUCCESSOR DECLARANT ARE NOT INSURERS AND THAT EACH PERSON USING THE PROPERTIES ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO LOTS AND TO THE CONTENTS OF LOTS RESULTING FROM ACTS OF THIRD PARTIES.

**Section 6.** **Written Action of Architectural Review Committee.** The Architectural Review Committee shall issue written approvals or disapprovals of the construction documents required by the Architectural Guidelines referenced in Section 8. To apply for approval of the Construction Documents required by the Architectural Guidelines referenced in Section 8, an Owner shall follow the steps set forth below:

(d) The Architectural Review Committee shall notify, in writing, the Owner or Builder who applied for conceptual or final approval within twenty (20) working days after plans and specifications have been received by the Architectural Review Committee. Such notice shall be served by United States mail, postage prepaid, return receipt requested, and shall be deemed given when deposited in the United States mail. If the Architectural Review Committee fails or refuses to notify the Owner of builder of approval or disapproval within the twenty (20) working day period, such plans and specifications shall b deemed approved by the Architectural Review Committee. The power to grant variances shall in no case be interpreted to completely dispense with the Architectural Guide. All decisions of the Architectural Review Committee shall be made in its sole and absolute discretion and shall not be subject to judicial review. The Architectural Review Committee shall render its decision either approving or disapproving a request for variance not later than twenty (20) working days following receipt of the request and all information reasonably necessary to determine whether the variance request is in the best interest of all owners. The decision of the Architectural Review Committee shall be made by one of two members if only two members attend a meeting and by two of three members if three members attend a meeting. If the Architectural review Committee fails to approve or disapprove within twenty (20) working days following the receipt of the variance request, then the request shall be deemed approved. All decisions shall be in writing and shall be served on the applicant by the United States mail, postage prepaid, return receipt requested, and shall be deemed given when deposited in the United States mail. The Architectural Review Committee shall not consider a request for variance that is the same for substantially similar to one that has been previously disapproved for a period of six (6) months from the date of disapproval. Further, the Architectural Review Committee shall not consider any request for variance which may be in violation of any statute, ordinance or rule and regulation to which a Lot is subject; provided, however, if the subject of the request is on its face unlawful, but can be made lawful by governmental administrative action, then the Architectural Review Committee may conditionally approve such request subject to favorable governmental administrative action.
