Neither Declarant nor the Association nor any director, officer, agent or employee of Declarant or the Association shall be liable to any Owner or other occupant or their families, guests or invitees for any claims or damages resulting, directly or indirectly, from the construction, existence, maintenance or adequacy of the rules and regulations and their enforcement. If the Declarant and the Association decide that it is necessary or desirable to have a gated entrance to the Subdivision, it is contemplated that the gated entrance shall be operated by remote control and the Association shall have the right to impose rules in the Association Rules governing the issuance of remote units and the cost to purchase and re-issue such remote units.

A copy of the Association Rules as they may from time to time be adopted, amended or repealed shall be available to each Owner at the principal office of the Association, and a notice setting forth the adoption, amendment or repeal of specific portions of the Association Rules shall be made available to each Owner. The Association Rules shall have the same force and effect as if they were set forth in and were part of this Declaration and shall be binding on the Owners and all other Persons having any interest in, or making any use of, the Real Property, whether or not actually received thereby. In the event of any conflict between any provision of the Association Rules and any provisions of this Declaration or the Articles or Bylaws, the provisions of the Association Rules shall be deemed to be superseded by the provisions of this Declaration, the Articles or Bylaws, but only to the extent of any such conflict.

- 3.6 Indemnification. To the fullest extent permitted by law, the Association shall indemnify and defend the officers, directors and every other person serving as an employee or direct agent of the Association or on behalf of the Association as a member of a committee or otherwise, and Declarant, including its partners or any Related Party to it (to the extent a claim may be brought against Declarant by reason of its appointment, removal or control of members of the Board), against all expenses and liabilities, including attorneys' fees reasonably incurred by or imposed upon him in connection with any proceeding to which he may be a party, or in which he may become involved, by reason of his being or having served in such capacity on behalf of the Association (or, in the case of Declarant, by reason of having appointed, removed or controlled or failed to control members of the Board), or any settlement thereof, whether or not he/she is a director, officer or serving in such other specified capacity at the time such expenses re incurred, unless the Board determines, in good faith, that such officer, director, or other person, did not act, fail to act, or refuse to act willfully or with gross negligence or fraudulent or criminal intent in the performance of his duties. The foregoing rights of indemnification shall be in addition to and not exclusive of all other rights to which such persons may be entitled in the Articles, at law or otherwise.
- 3.7 Non-Liability of Officials. To the fullest extent permitted by law, neither Declarant, the Board, the Association, the Architectural Control Committee, any other committees of the Association, nor any director, officer or member of any of the foregoing, shall be liable to any Owner, tenant, the Association or any other person for any damage, loss or prejudice suffered or claimed on account of any decision, approval or disapproval of plans or specifications (whether or not defective), course of action, act, inaction, omission, error, negligence or the like made in good faith and which Declarant, the Board, or such committees or Persons reasonably believed to be within the scope of their respective duties.

Declarant shall be under no obligation to make its own books and records available for inspection by any Owner, Member, or other Person.

3.11 Delegation of Powers. The Association shall have the right, according to law, to delegate to committees, officers, employees or agents any of its duties and powers under this Declaration, the Articles, Bylaws and Association Rules; provided, however, no such delegation to a professional management company or otherwise shall relieve the Association of its obligation to perform any delegated duty.

3.12 Emergency Powers. The Association or any person authorized by the Association may but shall not be required to enter any Lot (other than any Dwelling Unit situated thereon) in the event of any emergency involving illness or potential danger to life or property. Such entry shall be made with as little inconvenience to the Owner as practicable, and any damage caused thereby shall be repaired by the Association unless covered by insurance carried by the Owner.

4. ASSOCIATION MEMBERS

4.1 Membership. Every Owner shall be a Member of the Association. The terms and provisions set forth in this Declaration, which are binding upon all Owners, are not exclusive, as Owners shall, in addition, be subject to the terms and provisions of the Articles, Bylaws, Association Rules and Architectural Pattern Book to the extent the provisions thereof are not in conflict with this Declaration. Membership shall be appurtenant to and may not be separated from the interest of the Owner of any Lot. Ownership of a Lot shall be the sole qualification for membership; provided, however, a Member's voting rights or privileges in the Common Areas, or both, may be regulated or suspended as provided in this Declaration, the Bylaws or the Association Rules, subject to any limitations set forth in the Texas Property Code. No more than one membership shall exist based upon ownership of a single Lot.

4.2 Transfer. The membership held by any Owner shall not be transferred, pledged or alienated in any way, except that such membership shall automatically be transferred to the purchaser of the interest of an Owner in a Lot. The Association shall have the right to record the transfer upon the books of the Association without any further action or consent by the transferring Owner. Any attempt to make a prohibited transfer is void and will not be reflected upon the books and records of the Association. To help defray the administrative expenses involved with the transfer of memberships, the Association may assess a transfer fee for every transfer of membership associated with a Lot after the conveyance by Declarant of such Lot to an initial purchaser. The transfer fee shall be payable by the purchaser of the Lot being conveyed. The amount of the transfer fee shall be subject to adjustment by the Association.

4.3 Voting Rights. A Member's right to vote shall vest immediately upon the date Annual Assessments commence upon such Member's Lot as provided in this Declaration. All voting rights shall be subject to the restrictions and limitations provided herein and in the Articles, Bylaws and Association Rules. A Member must be a Member in good standing as defined in the Bylaws to be entitled to vote.

4.4 Classes of Voting Rights. The Association shall have two classes of voting membership:

(a) CLASS A. The Class A Members shall be all Owners with exception of the Declarant. After the Conversion Date, Declarant shall also become a Class A Member to the extent Declarant is the Owner of a Lot or Lots.

(b) CLASS B. The Class B Member shall be the Declarant. The Class B membership of Declarant shall cease and become converted to Class A membership (if Declarant continues to own a Lot or Lots) upon occurrence of the earlier of the following (the "Conversion Date"):

(i) When Declarant has sold its entire interest (excluding water rights) in 100% of the Lots to unrelated third parties. A sale to an unrelated third party shall not include a sale to joint ventures or partnerships that include Declarant as a co-venturer or partner; or

(ii) Such earlier date as may be established by Declarant in a Supplemental Declaration to be recorded by Declarant.

Until the Conversion Date, the Class A Members shall not be entitled to vote (except as provided for the levying of Special Assessments under Section 5.5 of this Declaration). The Class B Member shall be entitled to one (1) vote for each Lot in which it holds the interest required for membership.

From and after the Conversion Date (and at any time with respect to votes pertaining to Special Assessments), each Class A Member shall be entitled to one (1) vote for each Lot in which it holds the interest required for Association membership. Where more than one person or entity holds such interest in any Lot, all such persons collectively shall be a single Member, and the vote for such Member shall be exercised as the several parties shall determine among themselves, provided, however, that in aggregate no more than one (1) vote shall be cast with respect to each Lot. The Association shall not be a voting member of the Association by virtue of its ownership of any Lot.

4.5 Corporate Membership, if any Lot is owned by a corporation, partnership, trust, or other entity (the "Ownership Entity"), such Ownership Entity shall be a Member and shall designate in writing at the time of acquisition of the Lot an individual who shall have the power to vote said membership. In the absence of such designation and until such designation is made, the chief executive officer, if any, of the Ownership Entity shall have the power to vote the membership, and if there is no chief executive officer, then the board of directors or general partner of such Ownership Entity shall designate who shall have the power to vote the membership.

4.6 Member in Good Standing. A Member must be a Member in good standing, as defined in the Bylaws, in order to vote.

5. COVENANT FOR ASSESSMENT

5.1 Creation of the Lien and Personal Obligation.

(a) Each Owner of a Lot and the Declarant, except as otherwise expressly provided in this Declaration, by acceptance of a deed or other conveyance creating in such Owner the interest required to be deemed an Owner, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association, Annual Assessments, Supplemental Assessments, Special Assessments, and Landscape Assessments, such Assessments and other fees to be fixed, established and collected from time to time as provided in this Declaration. Such Assessments and other fees, together with interest thereon, late charges, attorney's fees, court costs, and other costs of collection thereof, shall be a continuing lien upon the Lot against which each such Assessment is made and shall also be the personal obligation of the Owner of such Lot at the time when such Assessment and other fees becomes due.

(b) Notwithstanding anything contained in Section 5.1(a) to the contrary, and except as to the Lots owned by Declarant, no Lot will be subject to any Assessments or other charges under this Declaration until construction of the street up to the boundary line of the Lot, as shown on the Plat, is completed and utilities are installed in the street adjoining such Lot (the "Required Improvements").

Unless the Declarant states in the deed conveying a Lot to an Owner that construction of the Required Improvements have not been completed, by virtue of the conveyance of such title, construction of such Required Improvements shall be deemed complete.

If the Required Improvements associated with any Lot have not been completed, Assessments for such Lot shall commence as of the first day of the month following such construction completion date, as designated by Declarant in its written notice to the Owner of such Lot and the Association.

5.2 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for (a) payment of Common Expenses in connection with the upkeep, maintenance and improvement of the Common Areas, the Association Easements, and such portion of the Lots and the Improvements located thereon as the Association is obligated to maintain under the provisions of this Declaration, and (b) promotion of the health, safety and welfare of the Owners and residents of Dwelling Units within the Real Property.

5.3 Annual Assessments.

(a) Each Owner shall pay, as his Annual Assessment, such Owner's Proportionate Share of the Common Expenses which shall be equal to the share payable by every other Owner. Payment of Annual Assessments shall be in such amounts and at such times as may be provided in Section 5.8 of this Declaration.

(b) Not later than thirty (30) days prior to the beginning of each fiscal year of the Association, the Board shall make available for review by each Owner at the Association's office during reasonable times a pro forma operating statement or budget for the upcoming fiscal year which shall, among other things, estimate the total Common Expenses to be incurred for such fiscal year. The Board shall at that time determine the amount of the Annual Assessment to be paid by each Owner for his Lot by determining such Owner's Proportionate Share of the estimated Common Expenses set forth in such budget. The Board shall then notify each Owner of the amount of the Annual Assessment to be paid by such Owner.

(a) If the Board determines during any fiscal year that the total Annual Assessments for the current year are, or will become, inadequate to meet all Common Expenses for whatever reason, including Common Expenses in excess of the estimated Common Expenses used in preparation of the Association's budget for that year, the Board shall then immediately determine the approximate amount of such inadequacy and issue a supplemental estimate of the Common Expenses and determine the revised amount of Annual Assessments to be paid by each Owner for the balance of the year, and the date or dates when due. If the estimated total Annual Assessments for the current year prove to be excessive in light of the actual Common Expenses, the Association may, at the discretion of the Board, retain such excess as additional working capital or reserves, reduce the amount of the Annual Assessments for the succeeding year, or abate collection of Annual Assessments for such period as the Board deems appropriate. No reduction or abatement of Annual Assessments because of any such anticipated surplus may diminish the quantity or quality of services upon which the Common Expenses for the year in question are based. The Declarant is not obligated or liable to pay its Proportionate Share, associated with the Lots it owns, of any portion of the budgeted Common Expenses which represents a reserve established by the Association for Common Expenses.

(d) For the first fiscal year of the Association, the Declarant shall prepare a budget which shall contain its good faith estimate of the total Annual Assessments for the first fiscal year of the Association. Each Owner is obligated to pay such estimated Annual Assessments, which are subject to adjustment, reduction or abatement by the Board in the manner set forth in Section 5.3(c) hereof.

- 5.4 **Supplemental Assessments.** If the Board determines that the funds budgeted or available in any fiscal year are or will become inadequate to meet all expenses of the Association, for any reason, including without limitation, nonpayment of Assessments by the Members, it shall determine the approximate amount of such inadequacies for such fiscal year and prepare a supplemental budget and may levy a Supplemental Assessment against each Lot in such amount as the Board deems necessary in order to obtain the amount of such inadequacies. Notice of any such Supplemental Assessment shall be given to each Owner. The Supplemental Assessment shall be paid on such dates and in such installments as may be determined by the Board.
- 5.5 **Special Assessments.**
- (a) In addition to the Annual and Supplemental Assessments, the Association may levy, in any assessment year, a Special Assessment applicable only to that fiscal year for the purpose of defraying, in whole or in part, the cost of any installation, construction, reconstruction, repair or replacement of capital improvements of the Common Areas, including fixtures and personal property related thereto, or for any other lawful Association purpose (except for those purposes otherwise described in Section 5.3 and Section 5.4 hereof), in accordance with the following provisions:
- (i) Notwithstanding anything contained in this Declaration to the contrary, in no event shall the Declarant be obligated to pay any Special Assessment for any reason what-so-ever.
- (ii) Any Special Assessments shall require the consent of (A) the Members having at least sixty percent (60%) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose, and (B) the Declarant so long as it owns at least one Lot.
- (iii) Except for a Special Assessment contemplated by Section 5.5(b) below, while the Declarant owns the Class B membership interests, if Declarant on its own motion requests the levy of a Special Assessment, such Assessment shall require the written consent of the Members holding 100% of the votes entitled to be cast by Members (other than the Declarant) who are voting in person or by proxy at a meeting duly called for such purpose. If any Member dissents from Declarant's motion approving such Special Assessments, the other Members are free to authorize such Assessment so long as such other Members, except for the Declarant, agree to pay the dissenting Member's Special Assessment.
- (b) A Special Assessment may also be a charge against a particular Owner and his Lot directly attributable to the Owner, to reimburse the Association for costs incurred in bringing the Owner and his Lot into compliance with the provisions of this Declaration, the Articles, Bylaws, Association Rules and/or Architectural Pattern Book, or any other charge designated as a Special Assessment in this Declaration, the Articles, Bylaws, Association Rules and/or Architectural Pattern Book, together with attorney's fees and other charges payable by such Owner, pursuant to the provisions of this Declaration, plus interest thereon as provided for in this Declaration. A Special Assessment against a particular Owner and his Lot may be perfected by the Association in the manner prescribed in Section 5.9 of this Declaration.
- 5.6 **Landscape Assessments.** Each Owner shall pay a monthly assessment equal to (i) the charges of the landscape contractor engaged by the Association for landscape maintenance of the Common Landscape Easement on the Owner's Lot as further described in Section 9.7 below, and (ii) the Owner's equitable share of the water used to irrigate the Common Landscape Easement on the Owner's Lot.
- 5.7 **Uniform Rate of Assessment.** Except for Special Assessments levied pursuant to this Declaration with respect to a specific Lot (s) under Section 5.5(b) Landscape Assessments levied pursuant to Section 5.6. or elsewhere in this Declaration as it pertains to the Declarant, Assessments must be fixed at a uniform rate for all Lots based upon the Proportionate Share.

- 5.8 Date of Commencement of Assessments: Due Dates.. Except as otherwise provided in Section 5.1(b) hereof, the Annual Assessments provided for herein shall commence as to each Lot on the first day of the month following the conveyance of the Lot to the first purchaser thereof. The first Annual Assessment shall be adjusted according to the number of months remaining in the fiscal year of the Association. The Board shall fix the amount of the Annual Assessment against each Lot in accordance with Section 5.3(b). Written notice of the Annual Assessment shall be sent to every Owner subject thereto prior to the commencement of the fiscal year; provided, however, that failure to give such notice shall not affect the validity or enforceability of the Assessments as fixed by the Board. Unless otherwise specified by the Board, Special and Supplemental Assessments shall be due thirty (30) days after they are levied by the Association and notice of the Assessment is sent to each Owner; provided, however, that failure to give such notice shall not affect the validity or enforceability of the Assessments as fixed by the Board. Annual Assessments shall be due in monthly installments or such other periodic basis as may be fixed by the Board. Each installment shall be due and payable on the date set forth in the written notice sent to each Owner. Notwithstanding the foregoing, the Board may require that the Annual, Supplemental or Special Assessments be paid in any number of installments. The Landscape Assessments shall be due monthly, on a date established by the Board.
- 5.9 Effect of Nonpayment of Assessments. Any Assessment, or any installment of any Assessment, not paid within twenty (20) days after the Assessment, or the installment of the Assessment, first became due, shall be deemed delinquent and shall bear interest from the due date at the Default Rate of Interest. Each Owner shall also pay a late charge as established by the Board for each delinquent Assessment or installment of an Assessment. Any Assessment, or any installment of any Assessment, which is delinquent shall become a continuing lien on the Lot against which such Assessment was made. The lien shall be perfected by the recordation of a "Notice of Claim of Lien" which shall set forth (a) the name of the delinquent Owner as shown on the records of the Association, (b) the legal description, street address and number of the Lot against which the claim of lien is made, (c) the amount claimed as of the date of the recording of the notice including interest, collection costs, late charges, lien recording fees and attorneys' fees, and (d) the name and address of the Association. The Association's lien priority shall relate back to the date of recordation of this Declaration and shall have priority over all liens or claims created subsequent, except for tax liens for real property taxes on the Lot, assessments on the Lot in favor of any municipal or other governmental body, and any First Mortgage. Before recording a lien against any Lot, the Association shall present to the defaulting Owner a written demand for payment. Said demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand or claim of lien, but any number of defaults may be included within a single demand or claim of lien. If such delinquency is not paid within ten (10) days after delivery of such demand, the Association may proceed with recording a Notice of Claim of Lien against the Lot of the defaulting Owner. The Association shall not be obligated to release any lien recorded pursuant to this Section until all delinquent Assessments, interest, lien fees, late charges and attorneys' fees have been paid in full whether or not all of such amounts are set forth in the Notice of Claim of Lien. The Association shall have the right, at its option, to enforce collection of any delinquent Assessment, or any installment of any Assessment, together with interest, late charges, attorneys' fees and any other sums due to the Association in any manner allowed by law or in equity including, but not limited to, (i) a nonjudicial foreclosure of such lien on the Lot and any improvements thereon in a manner similar to a foreclosure of a deed of trust lien on real property; (ii) suit against the Owner personally obligated to pay the assessment (such action may be brought without waiving any lien securing any such delinquent Assessment or installment); and/or (iii) foreclosure of the aforesaid lien judicially. The Association shall have the power to bid at a foreclosure sale and to purchase, acquire, hold, mortgage and convey any and all Lots purchased at such sale.
- 5.10 Subordination of the Lien to Mortgages. The lien of the Assessments provided for in this Declaration shall be subordinate to the lien of any First Mortgagee.

The sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to judicial or nonjudicial foreclosure by a First Mortgagee shall extinguish the lien of such Assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot or the Owner thereof from liability for any Assessments thereafter becoming due or from the lien thereof.

- 5.11 Exemption of Owner. Except as otherwise expressly provided in Section 5.5(a)(iii) hereof, no Owner of a Lot may exempt himself from liability for any Assessment levied against his Lot or for other amounts which he may owe to the Association under this Declaration, the Articles, Bylaws or Association Rules by waiver or non-use of any of the Common Areas or by the abandonment of his Lot.
- 5.12 Unallocated Tax Assessments. If any taxes are assessed against the personal property of the Association, said taxes shall be included in the Assessments made under the provisions of this Article, and, if necessary, a Supplemental or Special Assessment may be levied against the Lots in an amount equal to said taxes, which Assessment shall be due thirty (30) days before the due date of such taxes.
- 5.13 Subdivision Information and Resale Certificate. Not later than the 10th day after the date a written request for subdivision information is received from an Owner, Owner's agent or title insurance company or its agent acting on behalf of the Owner, the Association shall deliver to the Owner, Owner's agent or title insurance company or its agent, a current copy of this Declaration, a current copy of the Bylaws and Association Rules, and a resale certificate that complies with Section 207.003 of the Texas Property Code, as hereafter amended. The Association may charge a reasonable fee (as established by the Board) for providing the information required by this Section.
- 5.14 Establishment of Reserve Fund. For the purpose of establishing a reserve fund to be utilized by the Association for the periodic maintenance, repair and replacement of Improvements to the Common Areas, upon purchase of a Lot, the Public Purchaser (except Declarant) shall pay to the Association a sum determined by the Association in an amount equal to a percentage of the Annual Assessment then in effect, or, if no Annual Assessment is then in effect, then the payment shall be made when the first Annual Assessments are determined as provided in Section 5.3(a) hereof.

6. RIGHTS OF ENJOYMENT

- 6.1 Members' Right of Enjoyment. Every Member shall have a nonexclusive easement for use and enjoyment in and to the Common Areas, and such right shall be appurtenant to and shall pass with the fee interest in every Lot, subject to all of the easements, covenants, conditions, restrictions and other provisions of record and as contained in this Declaration, including without limitation, the following:
 - (a) The right of the Association to establish reasonable rules and regulations pertaining to the use of the Common Areas.
 - (b) The right of the Association to borrow money for the purposes of improving, replacing, restoring or expanding the Common Areas, but not to mortgage the Common Areas, unless the prior affirmative vote or approval of the Members entitled to cast two-thirds of the voting power of the membership has been obtained to mortgage said property, and provided further that the rights of the lender thereunder shall be subordinate to the rights of the Members.
 - (c) The right of the Declarant and its agents and representatives, in addition to Declarant's rights set forth elsewhere in this Declaration, to the non exclusive use, without charge, of the Project (except for the Lots owned by Persons other than the Declarant), for display and exhibit purposes, for the maintenance of sales facilities and model homes and for purposes of selling Lots and/or constructing Dwelling Units.

- 6.2 Delegation of Use. Any Member may delegate his right of enjoyment to the Common Areas to the members of his family or his tenants who reside in his Residence, or to his guests, subject to rules and regulations adopted by the Board.
- 6.3 Waiver of Use. No Member may exempt himself (and no Member shall be exempt) from personal liability for Assessments or release any Lot owned by him from the liens, charges and other provisions of this Declaration, the Articles, Bylaws, the Association Rules or Architectural Pattern Book, by voluntary waiver of, or suspension or restriction of such Member's right to the use and enjoyment of the Common Areas or the abandonment of such Member's Lot.
- 6.4 Limitations. An Owner's right and easement of enjoyment in and to the Common Areas shall not be conveyed, transferred, alienated or encumbered separate and apart from an Owner's Lot.
- 6.5 Private Streets. The dedication of the Private Streets for public use, or the transfer, mortgage or pledge of the Private Streets shall require the unanimous written consent of the Members of the Association.

7. USE RESTRICTIONS

- 7.1 Scope. Except as otherwise specified, the provisions of this Article shall apply to the entire Project.
- 7.2 Design of Dwelling Units. Each Dwelling Unit shall be constructed in accordance with the Original Plans and Specifications for that Dwelling Unit. Each Owner is responsible for obtaining approved Original Plans and Specifications prior to commencing construction of the Dwelling Unit on his Lot.
- 7.3 Dwelling Height. The maximum dwelling height for single story residential structures shall be the height limitations prescribed in the applicable municipal ordinances, not to exceed 22 feet to the top of the ridge. Homes on lots 4 thru 24 block 1; lots 1 thru 5 block 6; lots 1 thru 3 block 5; lots 1 thru 3 block 3 and lots 1 thru 3 block 2 shall not be allowed to construct 2nd stories, or allow living or storage space to exist above the ground floor. All remaining lots may construct second stories subject to height limitations prescribed in the applicable municipal ordinances, not to exceed 32 feet to the top of the ridge.
- 7.4 Residential Use. All Lots shall be used, improved and devoted exclusively to residential use. Each Residence may be occupied only by a Single Family. It is not the intent of this Declaration to exclude from a Residence any individual who is authorized to remain by any state or federal law. If it is found that this restriction is in violation of any law, then this Section shall be interpreted to be as restrictive as possible to preserve as much of the original Section as allowed by law.
- 7.5 No Commercial Use. - (1) That either (A) enforcement of a particular restriction would create substantial non-economic hardship on an Owner, or (B) a change of circumstances since the recordation of this Declaration has rendered such restriction obsolete; and
- (2) That the activity permitted under the variance will not have any substantial adverse effect on one or more of the Owners and is consistent with the high quality of life intended for residents of HERITAGE FARMS.
- (b) Notwithstanding the provisions of Section 7.34(a) hereof to the contrary, Declarant has the right in its sole discretion to grant any variance whatsoever from the restrictions set forth in the Architectural Pattern Book and Articles 7 and 8 of this Declaration, until Dwelling Units are fully constructed on all Lots as evidenced by the issuance of certificates of occupancy for the original construction of every Dwelling Unit in the Subdivision.

- 7.36 Enforcement. The Association or its authorized agents may, upon reasonable written notice, enter any Lot in which a violation of these restrictions exists and may correct such violation at the expense of the Owner of such Lot. Such expenses, and such fines as may be imposed pursuant to this Declaration, the Articles, Bylaws, and Association Rules, shall be a Special Assessment secured by a lien upon such Lot enforceable in accordance with the provisions of Article 5 hereof. All remedies available at law or equity shall be available in the event of any breach of any provision of this Article by any Owner, tenant or other person. The Association shall comply with Chapter 209 of the Texas Property Code to the extent applicable to any enforcement action taken by the Association.
- 7.37 Additional Restrictions. The Board may adopt additional reasonable restrictions of general application to regulate the use and occupancy of the Project, the Lots and the Residences from time to time which shall be incorporated into the Association Rules, so long as such rules or regulations do not amend this Article 7 or contravene any prior variance or amendment.

8. ARCHITECTURAL REVIEW COMMITTEE

- 8.1 Establishment and Appointment of Architectural Review Committee. The Architectural Review Committee shall consist of a minimum of three members. - 8.2 Architectural Pattern Book. The Architectural Review Committee shall establish reasonable procedural rules, regulations, restrictions, architectural standards and design guidelines for all Exterior Modifications in an "Architectural Pattern Book", which the Architectural Review Committee may, from time to time, amend, subject to the final approval of the Board. So long as the Declarant owns at least one Lot, any such amendment to the Architectural Pattern Book is subject to the approval of the Declarant. The Architectural Pattern Book shall be binding on Owners, Members, occupants and other Persons as if expressly set forth herein. A copy of the current Architectural Pattern Book shall at all times be a part of the Association's records. The Architectural Pattern Book may include, among other things, those restrictions and limitations set forth below:

- (c) The address for the Architectural Review Committee shall be the address established for giving notice to the Association. Such address shall be the place for the submittal of plans and specifications and the place where the current Architectural Pattern Book shall be kept.
- (d) The establishment of the Architectural Review Committee and the procedures herein for architectural approval shall not be construed as changing any rights or restrictions upon Owners to maintain or repair their Lots as may otherwise be specified in this Declaration, the Bylaws or Association Rules.
- (e) The Architectural Review Committee shall approve or disapprove any plans and specifications submitted to it in accordance with this Declaration within such period as may be specified in this Declaration or in the Architectural Pattern Book.

- (g) The Architectural Review Committee shall have the right to set time constraints for both the commencement and completion of construction.

8.5 Approval and Conformity of Plans. No Exterior Modification shall be commenced, erected or maintained upon the Real Property or any Lot (other than painting with the same color of paint as previously existed), except in compliance with plans and specifications which have been submitted to and approved by the Architectural Review Committee. Two complete sets of plans and specifications shall be submitted with each request for approval. Any plans and specifications to be submitted shall specify, in such detail and form as the Architectural Review Committee may reasonably require:

- (i) the location upon the Lot where the Exterior Modification will occur or be placed;

Architectural Review Committee is reasonably necessary to fairly and fully evaluate all aspects of the proposed Exterior Modification. The Architectural Review Committee shall have the right to refuse to approve any grading plans or plans and specifications which are not suitable or desirable, in its sole opinion, for aesthetic or any other reasons, and in passing upon such grading plans, plans and specifications, and without any limitation of the foregoing, it shall have the right to take into consideration the suitability of the proposed Exterior Modification, in light of Declarant's development plan for the Project as an exclusive residential development of specially designed homes. No changes or deviations in or from such grading plans and plans and specifications once approved shall be made without the prior written approval of the Architectural Review Committee. Approval of plans and specifications shall not be construed as any representation as to or responsibility for the design of the improvement or the ultimate construction.

- 8.6 Compensation: Delegations. Unless authorized by the Board, the members of the Architectural Review Committee shall not receive any compensation for services rendered solely as a member of the Architectural Review Committee. If a member of the Architectural Review Committee is a professional consultant retained to assist the Architectural Review Committee, then such member shall be entitled to the fee described in Section 8.4(a). The Association, and its directors, officers and employees; the Declarant, its partners, and the shareholders, officers and directors of any such partner, and any Person who is a Related Party of the Declarant; and any member of the Architectural Review Committee, or any agent, employee or other party providing architectural consulting services to the Architectural Review Committee (the "Released Parties") shall not be liable in damages to anyone submitting plans and specifications for approval by the Architectural Review Committee, any Owner or other person by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve any such plans, and each Owner or other person submitting plans agrees, by submission of such plans and specifications, that he will not bring any action or suit against any of the Released Parties to recover damages as above described, including, without limitation, to recover damages arising out of or in connection with flooding, natural disaster or soil conditions, or failure to comply with the applicable federal, state and municipal zoning or building ordinances, including without limitation the provisions of the zoning code of the City of El Paso which governs the construction, use, repair and maintenance of Residences (collectively called the "Applicable Laws"). Approval by the Declarant or the Architectural Review Committee shall not be deemed to be a representation or warranty that the Owner's plans and specifications (i) are free from defects (design, construction or otherwise), (ii) are free from hazards, such as flooding, natural disaster or adverse soil conditions, or (iii) comply in whole or part with applicable governmental ordinances or regulations, including, but not limited to, the Applicable Laws. It shall be the sole responsibility of each Owner, or other person submitting plans and specifications to the Architectural Review Committee or performing any construction of a Dwelling Unit or Exterior Modifications to comply with all such ordinances, regulations and codes including without limitation the Applicable Laws.

Each Owner understands that due to the location and condition of the Owner's Lot there may be certain Inherent risks and specific requirements including, but not limited to, those related to flooding and soil conditions. Each Owner agrees for himself, his family, guests and invitees (the "Releasing Parties") to release the Released Parties, from any and all liability arising from any damage or injury to the person or property of the Releasing Parties arising out of or in connection with each of the aforesaid matters.

8.8 Enforcement. In addition to any other remedies available to the Declarant or the Association, the Architectural Review Committee shall have the authority to require any Owner or Owner's agents or contractors to cease and desist in constructing or altering any improvements on any Lot, where such actions have not first been reviewed and approved, or constitute a violation of this Declaration, the Architectural Pattern Book or any other documents promulgated by the Architectural Review Committee. The violating Owner shall remove the violating improvements or site work at his sole expense and without delay, returning the property to its original condition or bringing the Residence into compliance with this Declaration, the Architectural Pattern Book, and any plans and specifications approved by the Architectural Review Committee for construction. If an Owner proceeds with construction that is not approved by the Architectural Review Committee, or that is a variance of the approved plans and specifications, the Association may assess fines and may continue to assess such fines until approval is granted or the violation is removed. This Declaration is notice of an Owner's liability for violation and each Owner hereby agrees to bear the cost and expense to cure any violations according to this provision, regardless of the cost, time or loss of business involved.

In addition, the Association shall have the right to regulate any other use and or placement of structures and or improvements including but not limited to landscaping and driveways within the easement area.

9.3 Easement for Encroachments. Each Lot and the Common Areas shall be subject to an easement for encroachments created by construction, settling, overhangs, and discrepancies between the Plat and construction, as originally designed or as constructed by Declarant or its agents or contractors. A valid easement for said encroachments and for the maintenance of same, so long as they stand, shall and does exist.

In the event a building containing an encroachment is partially or totally destroyed, and then rebuilt, the Owners agree that minor encroachments on parts of the adjacent Lot due to construction shall be permitted and that a valid easement for said encroachments and maintenance thereof shall exist. - 9.5 **Association's Right of Entry.** During reasonable hours, the Association, any member of the Architectural Review Committee, any member of the Board or any authorized representative of them, shall have the right to enter upon and inspect any land surrounding any Dwelling Unit on the Real Property (specifically excluding the interior of any Dwelling Unit located thereon) for the purpose of making inspections to determine whether the provisions of this Declaration, the Association Rules and the Architectural Pattern Book are being complied with by the Owner.
- 9.6 **Association's Easement for Performing Maintenance Responsibilities.** The Association shall have an easement upon, across, over and under the Common Areas and the Lots for the purpose of repairing, maintaining and replacing the Common Areas and those portions of the Lots which the Association is obligated to maintain.

The Association shall have the right and obligation to maintain the landscaping within the Common Landscape Easements, and to replace where necessary any landscaping that has died or has become unsightly or that violates the terms of this Declaration or of the Landscaping Plan included within the Original Plans and Specifications. Each Owner shall hold the Association, its employees, directors and contractors harmless from any claims for property damage arising from the Association's performance of the maintenance obligations within the Common Landscape Easements as described in this Section.

10. MAINTENANCE

10.1 **Maintenance of Common Areas By Association.** The Association shall be responsible for the maintenance, repair and replacement of the Common Areas and may, without the approval of any Owner, do any of the following:

- (a) Reconstruct, repair, replace or refinish any Improvement or portion thereof upon any of the Common Areas (to the extent that such work is not done by a government entity, if any, the Association shall be responsible for the maintenance and upkeep of such area);
- (b) Construct, reconstruct, repair, replace or refinish any portion of the Common Areas used as a road, street, walk, driveway or parking area;
- (c) Replace Injured and diseased trees or other vegetation in any of the Common Areas, and plant trees, shrubs and ground cover to the extent that the Board deems necessary for the conservation of water and soil and for aesthetic purposes;

(d) Place and maintain upon any of the Common Areas such signs as the Board may deem appropriate for the proper identification, use and regulation thereof;

(e) Do all such other and further acts which the Board deems necessary to preserve and protect the Common Areas and the beauty thereof, in accordance with the general purposes specified in this Declaration. The Board shall be the sole judge as to the appropriate maintenance of the Common Areas.

- 10.2 Maintenance of Lots by Owners. Each Owner of a Lot shall be solely responsible for the maintenance of all portions of his Lot, other than the landscaping within the Common Landscape Easement. The Owner of each Lot shall at all times perform his obligations under this Section so that the land and Improvements comprising his Residence shall be in good condition and repair. Such obligations of Owners shall include keeping all shrubs, trees, grass, plantings and landscaping of every kind properly cultivated and free of trash, weeds and other unsightly material.
- 10.3 Damage or Destruction by Owners. Each Owner shall be responsible for the repair or replacement of any damage or destruction to the Common Areas or to any Lot which is caused by such Owner or his family members, guests, invitees, subcontractors, agents or employees, including without limitation, any damage or destruction to concrete, paving or curbing or other Improvements within the Project. In the event such damage or destruction is not immediately repaired or replaced to the satisfaction of the Association, the Association may undertake such repair or replacement, in which case any expenses incurred by the Association in connection therewith shall be paid by said Owner to the Association upon its demand, and such amounts shall be secured by a lien on any Lot (s) owned by such Owner, and the Association may enforce collection of any such amounts in the same manner as provided in Article 5 of this Declaration for the collection and enforcement of Assessments
- 10.4 Non performance by Owners. If any Owner fails to maintain any portion of the Lot and Improvements comprising his Residence which he is obligated to maintain under the provisions of this Declaration, the Articles, Bylaws, Association Rules or Architectural Pattern Book, then the Association shall have the right, but not the obligation, to enter upon such Owner's Lot to perform the maintenance and repairs not performed by the Owner, and the cost of any such work performed by or at the request of the Association shall be paid for by such Owner upon demand from the Association, and such amounts shall be secured by a lien upon the Owner's Lot and the Association may enforce collection of such amounts in the same manner and to the same extent as provided in Article 5 of this Declaration for the collection and enforcement of Assessments.
- 10.5 Total or Partial Destruction. If any Residence is totally or partially destroyed, the Owner shall either rebuild the Improvements in a timely manner or demolish the same and remove the debris from the Project in a timely manner. If the Owner fails to comply with this Section, the Association may undertake the work on the Owner's behalf and charge the Owner therefore. The amounts expended by the Association shall be secured by a lien upon the Owner's Lot and the Association may enforce collection of such amounts in the same manner and to the same extent as provided in Article 5 of this Declaration for the collection and enforcement of Assessments.
- 10.6 Payment of Utility Charges. Each Lot shall be separately metered for water, sewer, cable television, telephone, gas, electrical service, internet lines and other utility service, and all charges for such service to the Lot shall be the sole obligation and responsibility of the Owner of each Lot. All bills for utility service to the Common Areas shall be billed to the Association, and the Association shall be responsible for the payment of such charges. The cost of utility service to the Common Areas shall be a common expense of the Association and shall be included in the budget of the Association.

11. INSURANCE

- 11.1 Scope of Coverage. The Association shall make a good faith effort to obtain and maintain, to the extent reasonably available, the following insurance coverage:
- (a) Property insurance on the Common Areas insuring against all risk of direct physical loss, insured in an amount equal to the maximum insurable replacement value of the Common Areas, as determined by the Board; provided, however, that the total amount of insurance after application of any deductibles shall not be less than 100% of the current replacement cost of the insured property, exclusive of land, excavation, foundations and other items normally excluded from a property policy;
 - (b) Comprehensive general liability insurance, including medical payments insurance, in an amount determined by the Board. Such insurance shall cover all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use, ownership or maintenance of the Common Areas and all other portions of the Project which the Association is obligated to maintain under this Declaration, and shall also include hired automobile and non-owned automobile coverage with cost liability endorsements to cover liabilities of the Owners as a group to an Owner;
 - (c) Worker's compensation insurance to the extent necessary to meet the requirements of the laws of the State of Texas;
 - (d) Such other insurance as the Association shall determine from time to time to be appropriate to protect the Association or the Owners;
 - (e) The insurance policies purchased by the Association shall, to the extent reasonably available, contain the following provisions:
 - (1) That there shall be no subrogation with respect to the Association, its agents, servants, and employees, with respect to Owners and members of their households;
 - (2) That no act or omission of any Owner (unless acting within the scope of his authority on behalf of the Association) will void the policy or be a condition to recovery on the policy;
 - (3) That the coverage afforded by such policy shall not be brought into contribution or proration with any insurance which may be purchased by the Owners or their Mortgagees; A "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or other Owners;
 - (4) Statement of the name of the insured as "Heritage Farms Homeowners Association"; and
 - (5) For policies of hazard insurance, a standard mortgagee clause providing that the insurance carrier shall notify the First Mortgagee named in the policy at least thirty (30) days in advance of the effective date of any substantial modification, reduction or cancellation of the policy.
- 11.2 Insurance on Lots. The Association shall not be obligated to obtain property insurance, liability insurance, flood insurance or any other type of insurance covering the Lots or the Improvements located thereon. The procurement and maintenance of insurance on each Lot, including all Improvements on such Lot shall be the sole obligation of the Owner thereof. Each Owner shall also be responsible for obtaining all liability insurance, personal property insurance and any other type of insurance to the extent desired by such Owner.

11.3 Certificates of Insurance. An insurer that has issued an insurance policy under this Article shall issue certificates or a memorandum of insurance to the Association and, upon request, at the requesting party's expense, to any Owner. Any insurance obtained pursuant to this Article may not be cancelled until thirty (30) days after notice of the proposed cancellation has been mailed to the Association and to each Owner to whom certificates of insurance have been issued.

11.4 Fidelity Bonds. The Association shall maintain blanket fidelity bonds for all officers, directors, trustees and employees of the Association and all other persons handling or responsible for funds of or administered by the Association, including, without limitation, any management agent to whom the Association has delegated some or all of the responsibility for the handling of such funds. The total amount of fidelity bond coverage shall be based upon the best business judgment of the Board, and shall not be less than the estimated maximum amount of funds, including reserve funds, in the custody of the Association or the management agent, as the case may be, at any given time during the term of each bond. In no event shall the aggregate amount of such fidelity bonds be less than a sum equal to three months of Annual Assessments on all Lots plus adequate reserve funds. Fidelity bonds obtained by the Association must also

(a) Name the Association as an obligee;

(b) Contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees" or similar terms or expressions; and

(c) Provide that they may not be cancelled (including cancellation from non payment of premium) or substantially modified without at least ten (10) days prior written notice to the Association.

11.6 Payment of Insurance Proceeds. With respect to any loss to the Common Areas covered by property insurance obtained by the Association in accordance with this Article, the loss shall be adjusted with the Association and the insurance proceeds shall be payable to the Association. Subject to the provisions of Article 12 of this Declaration, the proceeds shall be disbursed for the repair or restoration of the damage to the Common Areas.

11.7 Annual Insurance Review. The Board shall annually determine whether the amounts and types of insurance it has obtained provide adequate coverage for the Common Areas in light of increased construction costs, inflation, practice in El Paso County, Texas, or any other factor which tends to indicate that either additional insurance policies or increased coverage under existing policies are necessary or desirable to protect the interests of the Owners and of the Association. If the Board determines that increased coverage or additional insurance is appropriate, it shall obtain the same.

12. DESTRUCTION OF IMPROVEMENTS

12.1 Duty of Association. In the event of partial or total destruction of Improvements upon the Common Areas, it shall be the duty of the Association to restore and repair the same as promptly as practical pursuant to this Article. - 12.3 Reconstruction by Vote of Members. If the amount available from the proceeds of such insurance policies for the restoration and repair of such Improvements (except for the Private Streets, as provided in Section 12.6 hereof) are (a) less than 65% of the estimated cost of restoration and repair, or (b) greater per Lot than twenty percent (20%) of the Annual Assessment per Lot in effect at the time, the Improvements shall not be replaced or restored unless a majority of the voting power of the Association agrees in writing to such replacement or restoration or gives Its affirmative vote at a meeting duly called therefore. If the Members approve such replacement or restoration, the Board shall cause the damaged or destroyed Common Area to be restored as closely as practical to its former condition prior to the destruction or damage.
- 12.4 Excess Insurance Proceeds. If any excess insurance proceeds remain after any reconstruction by the Association pursuant to this Article, the Board, in its sole discretion, may retain such sums in the general or reserve funds of the Association or distribute pro rata all or a portion thereof to the Members.
- 12.5 Use of Special Assessments. All amounts collected as Special Assessments pursuant to this Article shall only be used for the purposes set forth in this Article and shall be deposited by the Board in a separate bank account to be held in trust for such purposes. Such funds shall not be commingled with any other funds of the Association and shall be deemed a contribution to the capital account of the Association by the Members.
- 12.6 Repair of Private Streets. If partial or total destruction of any of the Private Streets occur, the Board shall cause such damaged or destroyed Private Streets to be restored as closely as practical to its condition prior to the destruction or damage. - 13.1 Definition of Taking. The term "taking" as used in this Article shall mean condemnation by eminent domain or sale under threat of condemnation of all or any portion of the Common Areas.
- 13.2 Representation by Board In Condemnation Proceedings. In the event of a threatened taking of all or any portion of the Common Areas, the Members hereby appoint the Board or such persons as the Board may delegate to represent all of the Members in connection with the taking. The Board shall act in its sole discretion with respect to any awards being made in connection with the taking and shall be entitled to make a voluntary sale to the condemnor in lieu of engaging in a condemnation action.
- 13.3 Inverse Condemnation. The Board is authorized to bring an action in inverse condemnation. In such event, the provisions of this Article shall apply with equal force.
- 13.4 Award for Common Areas. Any awards received on account of a taking of any of the Common Areas shall be paid to the Association. The Board may in this sole discretion retain any award in the general or reserve funds of the Association or distribute pro rata all or a portion thereof to the Members.

14. DRAINAGE AND ON-SITE PONDING REQUIREMENTS

- 14.1 Drainage. No Owner shall erect, construct, maintain, permit or allow any fence or other Improvement or other obstruction (a) which would interrupt the normal drainage of the land, or (b) within any area designated on the Plat (or other binding document) as a "Drainage Easement", except that, with the prior consent of the Architectural Review Committee, non-permanent structures, including fences, may be erected in those areas which contain only underground closed conduit storm drainage facilities.

- 14.3 Waiver. Each Owner of a Ponding Lot waives any claim or cause of action against the City of El Paso, its officials or employees, for any death, injury or property damage resulting from alteration of the ponding capacity of his Ponding Lot.
- 14.4 Correction of Drainage Problems. Each Owner of a Ponding Lot shall correct any drainage problem on the Ponding Lot within forty-five (45) calendar days of the receipt of notice from the City of El Paso.
