The mere acquisition, lease or rental of all or any portion of a Lot or the mere act of occupancy of all or any portion of a Lot will signify that these Bylaws are accepted, approved, ratified, and will be complied with.

**ARTICLE V. MEMBERSHIP, MEMBER IN GOOD STANDING,
VOTING RIGHTS, VOTING, CUMULATIVE VOTING, QUORUM, PROXIES**

5.01 Membership. Each and every Owner of a Lot, or a subdivided portion thereof, shall automatically become, and must remain, a Member in good standing of the Association during such Owner's period of ownership of such Lot or portion thereof. Such membership shall be appurtenant to each Lot, or portion thereof, and may not be severed from or held separately therefrom. The membership of a person or entity in the Association shall terminate automatically whenever such person or entity ceases to be an Owner, except that such termination shall not release or relieve any person or entity from any liability or obligation incurred under or

in any way connected with the Association or the Declaration during the period of ownership, nor impair any rights or remedies which the Association or any other Owner have with regard to such former Owner.

5.02 Member in Good Standing. A member of the Association shall be considered to be a Member in good standing and eligible to vote (if otherwise entitled to vote under these Bylaws) if such Member:

(a) Has, not less than seven (7) days prior to the taking of any vote by the Association, fully paid all assessments or other charges levied by the Association then due and payable, as such assessments or charges are provided for hereunder;

(b) Does not have a lien filed by the Association against its Lot;

(c) Has discharged other obligations to the Association as may be required of Members hereunder; and

(d) Has met the proof of ownership requirement, if any, provided for in Section 12.01 of these Bylaws.

The Board shall have sole responsibility and authority for determining the good standing status of any Member at any time, and shall make such determination with respect to all Members prior to a vote being taken by the Association on any matter. The Board shall have the right and authority, in its sole discretion, to waive the seven (7) days prior payment requirement established herein and require only that such payment be made at any time before such vote is taken if the Board shall determine, in its own judgment, that extenuating circumstances exist which have prevented a particular Member from meeting any or all of the four requirements stated herein at or before seven (7) days in advance of any vote. Any Member not conforming with the provisions of this Section shall be declared to be not a Member in good standing. Moreover, unless the time requirement required hereunder is specifically waived by the Board in writing prior to any particular vote being taken, the Member to which that time period pertains shall be disqualified from voting on matters before the Association until such time as Member in good standing status is attained and so declared by the Board.

5.03 Voting Rights in the Association. Each Member shall be entitled to one (1) vote for each Small Lot in which it holds the interest required for Association membership; two (2) votes for each Large Lot in which it holds the interest required for Association membership; and three (3) votes for each Great Lot in which it holds the interest required for Association membership. Where more than one person or entity holds such interest in any Lot or subdivided portion thereof, all such persons collectively shall

be a single Member, and the vote for such Member shall be exercised as the several parties shall determine among themselves.

The Association shall not be a voting member by virtue of its ownership of any Lot, or subdivided portion thereof.

5.04 Voting. Only Members in good standing shall be entitled to vote, and voting membership shall be decreased by the number of Members who are not Members in good standing to determine the votes entitled to be cast for the purpose of establishing a quorum, such determination of the total number of Members in good standing to be as of the date of which a vote is taken. The vote of the majority of those votes entitled to be cast by the Membership in good standing present or voting by legitimate proxy at a duly called meeting at which a quorum of Members are represented shall be sufficient for the transaction of any business, unless otherwise provided by law and except for an amendment to the Declaration by the Members as provided in Section 12 of the Declaration.

5.05 Cumulative Voting. Cumulative voting shall not be allowed.

5.06 Majority. As used in these Bylaws, the term "Majority of Owners" or "Majority of Members" shall mean those voting Members holding fifty-one percent (51%) of the votes of the Association.

5.07 Quorum. Members holding one-half (1/2) of the votes entitled to be cast, shall constitute a quorum for voting on matters brought before the Association at meetings of Members called by the Board. In the event a quorum is not present, then the meeting for the same purposes within two (2) to four (4) weeks shall be sent by mail, at which meeting the number of Members in good standing represented in person or by proxy shall be sufficient to constitute a quorum. The Members in good standing present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough Members in good standing to leave less than a quorum. An affirmative vote of a majority of the Owners so present and entitled to vote, either in person or proxy, shall be required to transact the business of the meeting.

5.08 Proxies. Votes may be cast in person or by written proxy. No proxy shall be valid after eleven (11) months from the date of its execution unless specifically provided in the proxy. All proxies must be filed with the Secretary or Assistant Secretary of the Association before the appointed time of each meeting.

ARTICLE VI. ASSOCIATION RESPONSIBILITIES AND MEETINGS OF MEMBERS

6.01 Association Responsibilities. The Members will constitute the Association which will have the responsibility of administering and enforcing the covenants, conditions and restrictions contained in the Declaration, including the collection

and disbursement of charges and assessments created therein, through a Board of Trustees. In the event of any dispute or disagreement between any Members relating to the Properties, or any questions of interpretation or application of the provisions of the Declaration, Articles of Incorporation or these Bylaws, such dispute or disagreement shall be submitted to the Board. The determination of such dispute or disagreement by the Board shall be binding on each and all such Members, subject to the right of Members to seek other remedies provided by law after such determination by the Board.

At the first meeting of the Association the term of office of three (3) Trustees shall be fixed at two (2) years; and the term of office of two (2) Trustees shall be fixed at one (1) year. All liability, loss, damage, cost and expense incurred or suffered by the Association by reason or arising out of or in connection with the foregoing indemnification provisions shall be treated and handled by the Association as an expense subject to Special Group Assessment; provided, however, that nothing in this Article X contained shall be deemed to obligate the Association to indemnify any Member or Owner who is or has been a director or officer of the Association with respect to any duties or obligations assumed or liability incurred by him under and by virtue of the Declaration and these Bylaws that were assumed or incurred outside of his conduct specifically related to the fulfillment of his duties as an Officer or Trustee of the Association.

10.02 Other. The Members, Board of Trustees, Officers or representatives of the Association shall enter into contracts or other commitments as agents for the Association, and they shall have no personal liability for any such contract or commitment (except such liability as may be ascribed to them in their capacity as Owners).

ARTICLE XI. AMENDMENTS TO BYLAWS

11.01 Amendments to Bylaws. These Bylaws may be amended in writing by Members in good standing and entitled to vote holding a simple majority of the votes in the Association; provided, however, that such authority may be delegated by the majority of such members to the Board as allowed by the Texas Nonprofit Corporation Act.

11.02 Amendments Requiring Mortgage Holder Approval. Changes to these Bylaws of a material nature must be approved by eligible mortgage holders representing at least 51% of the Lots which are subject to mortgages held by eligible mortgage holders. As used herein, the term eligible mortgage holders shall mean those holders of a first mortgage on a Lot who have requested that the Association notify them on any proposed action which requires the consent of a specified percentage of eligible mortgage holders. A change to any of the following shall be considered material:

- (i) voting rights;
- (ii) assessment liens or subordination of assessment liens;
- (iii) reserves for maintenance and repairs;
- (iv) reallocation of interests in the Common Areas, or rights to their use;
- (v) boundaries of any Lot;

(vi) convertibility of any Lot into a Common area or vice versa;

(vii) expansion or contraction of the Subdivision, or the addition, annexation or withdrawal of property to or from the Subdivision;

(viii) insurance or fidelity bonds;

(ix) imposition of any restrictions on an Owner's right to sell or transfer his or her Lot;

(x) restoration or repair of any part of the Subdivision (after a casualty damage or partial condemnation) in a manner other than specified in the Declaration or these Bylaws;

(xi) any action to terminate the legal status of the Subdivision after substantial destruction or condemnation occurs;

(xii) any provision hereof which expressly benefit mortgage holders, insurers or guarantors;

(xiii) responsibility for maintenance and repairs;
or

(xiv) a decision by the Association to establish self management when professional management had been required previously by a mortgage holder.

Notwithstanding any provision in these Bylaws to the contrary, the legal status of the Subdivision may not be terminated for reasons other than substantial destruction or condemnation of the Subdivision unless eligible mortgage holders representing at least sixty-seven percent (67%) of the Lots agree.

ARTICLE XII. EVIDENCE OF OWNERSHIP, REGISTRATION OF MAILING ADDRESS AND DESIGNATION OF VOTING REPRESENTATIVE

12.01 Proof of Ownership. Except for those Owners who purchase a Lot from Declarant, any person, on becoming an owner of a Lot, shall furnish to the Board of Trustees a true and correct copy of the original or a certified copy of the recorded instrument vesting that person with an interest or ownership in the Lot, which copy shall remain in the files of the Association. A Member shall not be deemed to be in good standing nor shall he be entitled to vote at any annual or special meeting of members unless this requirement is first met.

12.02 Registration of Mailing Address. The Owner or several Owners of a Lot shall have one and the same registered mailing address to be used by the Association for mailing of monthly statements, notices, demands and all other communications, and such

registered address shall be the only mailing address of a person or persons to be used by the Association. Such registered address of an Owner or Owners shall be deemed to be the mailing address of the Lot or subdivided part thereof owned by said Owner or Owners unless a different registered address is furnished by such Owner(s) to the Board of Trustees within fifteen (15) days after transfer of title, or after a change of address; and such registration shall be in written form and signed by all of the Owners of the Lot or the particular subdivided part thereof or by such persons as are authorized by law to represent the interest of (all of) the Owner(s) thereof.

ARTICLE XIII. ASSESSMENTS AND LIENS

13.01 Purpose of Assessments. Subject to the limitations, if any, set forth in the Declaration, the assessments levied hereunder by the Association shall be used exclusively for the purpose of protecting and promoting the comfort, collective mutual enjoyment, health, safety and welfare of the Owners of the Property, including, but not limited to, the following:

(a) Maintenance. The maintenance, repair or replacement of any and all Common Areas and Association Maintained Private Areas, if any, and any improvements thereon, including, but not limited to, those located on or adjacent to property not covered by the Declaration, along with the cost of any associated management or supervisory services, fees, labor, equipment, and materials, including but not limited to, the maintenance of the Lake. The costs of maintaining the Lake for which assessments may be levied may be shared among the Association, The Willows Property Owner's Association, and any other association possessing rights for their members to use the Lake on such basis as Declarant or its specific assignee of this right, the Board of Trustees of the Association, and the governing body of any other such associations (including the Willows Property Owner's Association) may reasonably determine.

(b) Improvements. The design, purchase and installation of any Common areas and improvements.

(c) Insurance. The purchase of insurance coverage relating to Common Areas and any improvements thereon, and other property of the Association.

(d) Administration. The carrying out of duties of the Board of Trustees as provided herein and in the Declaration and Articles of Incorporation of the Association.

(e) Purposes. The carrying out of purposes of the Association as stated herein and in its Declaration and Articles of Incorporation.

(f) Others. The carrying out of all other matters set forth or contemplated in the Declaration.

13.02 Annual Budget. Each fiscal year while the Declaration is in force, the Board shall adopt an annual budget and set the amount of the Regular Annual Assessment to be levied for the next year, taking into consideration Association operating costs for the then current year, expected normal increases in such costs over the next year, and additional future needs of the Association, including the establishment and maintenance of an Association reserve fund as provided for herein and in the Declaration. The annual budget shall be adopted by the Board not later than fifteen (15) days prior to the commencement of each fiscal year. Notwithstanding the above, in the event the Board fails for any reason to adopt an annual budget covering the succeeding fiscal year, then and until such time as an annual budget shall have been adopted for such succeeding fiscal year, the annual budget in effect for the current year shall continue and the Regular Annual assessment shall be deemed the same as for the current year.

13.03 Initial Budget. Within thirty (30) days after the filing of the Articles of Incorporation of the Association with the Secretary of State for the State of Texas, the Board of Trustees shall adopt a budget for that portion of the fiscal year of the Association commencing on the date the Articles of Incorporation were filed and terminating on the last day of the then current fiscal year. The manner of determining the assessment for the initial budget shall be the same manner used in determining the Regular Annual Assessments described in paragraph 13.04 below, except that a working capital fund equal to at least a two months' Common Area charge for each Lot may also be planned for inclusion into the initial budget. The Board of Trustees shall determine in the reasonable exercise of its judgment whether and to what extent such a working capital fund should be incorporated into the Regular Annual Assessment.

13.04 Manner of Determining Regular Annual Assessments. The Regular Annual Assessment for each fiscal year shall be determined by the Board upon its adoption of the annual budget for such fiscal year in the manner set forth in the Declaration. Should any surplus exist at the end of any year, the Board may, at its own discretion, reduce the amount required for the next Regular Annual Assessment by an amount not more than said surplus, provided, however, that reserve fund requirements are first met.

13.05 Special Group Assessments. In addition to the Regular Annual Assessments provided for herein, the Association by resolution of its Board of Trustees as provided for in these Bylaws may levy in and for any year, applicable to that year only, a Special Group Assessment for the purpose of:

(a) Defraying the cost of any new construction or reconstruction, unexpected repair or replacement of capital

improvements for and within Common Areas, including the necessary fixtures and personal property related thereto;

(b) Defraying the cost of repairs or replacements resulting from an uninsured loss or damage or insured loss or damage where there are insufficient insurance proceeds as provided for in the Declaration; and

(c) Responding to unusual or emergency needs of the Association. Such Special Group Assessments shall be allocated and prorated among the Owners at the date each such Special Group Assessment is levied in the same manner as Regular Annual Assessments are allocated and prorated among the Lots as described above.

13.06 Special Member Assessments. In addition to other assessments provided for herein, the Association, by resolution of its Board of Trustees, may levy a special assessment ("Special Member Assessment") on any Member for the purpose of:

(a) Defraying the cost of any unexpected damage or loss requiring maintenance, repairs, or replacement of improvements associated either with a Common Area or with a Lot not owned by that Member causing such damage or loss which damage or loss has been determined by the Board to have been caused, either directly or indirectly, by the willful or negligent acts of such Member or its agent, occupant or visitor. In reaching a decision to levy such Special Assessment upon any Member, the Board of Trustees shall first determine, in its sole discretion, that reasonable evidence exists to support a determination that said damage or loss was caused, directly or indirectly by a particular Member, or its agent, occupant or visitor. Prior to making such determination, the Board shall inform such Member of its findings and afford the Member the reasonable opportunity (not less than seven (7) days) to: (i) introduce evidence regarding such damage or loss and the cause thereof, or (ii) remedy such loss or damages.

(b) Reimbursing the Association for any and all direct or indirect costs incurred by the Association with regard to the maintenance, repair or replacement of any improvements on any particular Lot owned by such Member when:

(i) It has been determined by the Board of Trustees that the maintenance, repair or replacement of improvements associated with such Member's Lot has been neglected to the point where conditions existing on such Lot are not in conformance with the maintenance obligations set forth in the Declaration;

(ii) The Member owning such Lot shall have been informed in writing of deficiencies found to exist and shall have been afforded a specific and reasonable period of time (not less than seven (7) days) to respond to said

notice and/or remedy such deficiencies, the determination of what constitutes a reasonable period of time for remedial action to be made by the Board of Trustees in its sole discretion;

(iii) Those deficiencies determined by the Board of Trustees and reported in writing to the Member owning such Lot are not fully corrected within the time period established by the Board for such corrective action to be completed; and

(iv) Due to the failure of the Member owning such Lot to take corrective action within the period of time established by the Board, it has been necessary or appropriate for the Association to contract for, initiate or complete such corrective action to meet the maintenance requirements of the Declaration. In the event such Member shall start corrective action on a Lot after the Association has either contracted for such work to be done or actually accomplished such work in whole or in part, such Member shall be obligated to the Association for the reimbursement of any costs actually incurred by the Association, including without limitation: release from contract settlements; design, legal or other professional fees; labor, equipment, materials or guarantees required to accomplish corrective work; management or supervisory services; and any other costs directly or indirectly attributable to the work.

(c) Reimbursing the Association for any and all direct or indirect costs incurred by the Association with regard to the maintenance and clean up of any unimproved Lot.

13.07 Lake Assessments. Lake Assessments shall be determined in accordance with the Declaration.

13.08 Payment of Regular Annual Assessments. The Regular Annual Assessments and Lake Assessments provided for herein shall commence on a date fixed by the Board of Trustees and thereafter shall be due and payable in monthly installments, in advance, on the first day of each month.

13.09 Payment of Special Assessments. Special Group Assessments and Special Member Assessments shall be due and payable in full thirty (30) days following the date at which any such assessment is set by the Board of Trustees in the resolution adopting such assessment, or in installments as may be determined by the Board.

13.10 Collection and Enforcement. Each Member, by his assertion of title or claim of ownership or by his acceptance of a deed to a Lot, whether or not it shall be so recited in such deed, shall be conclusively deemed to have expressly vested in the Association, and specifically the Board of Trustees the right,

power and authority to take all action which the Association and/or the Board of Trustees shall deem proper for the collection of assessments and/or for the enforcement and foreclosure of the liens securing the same.

13.11 Enforcement and Personal Obligation of Owners for Payment of Assessments. The Regular Annual Assessments, Special Group Assessments and Special Member Assessments provided for herein shall be the personal and individual debt of the Owner of a Lot, covered by such assessments. No Owner may, for any reason, exempt itself from liability for such assessments levied in accordance with the provisions of the Declaration or these Bylaws. In the event that any assessment or installment thereof is not paid when due, and remains unpaid for a period of thirty (30) days thereafter, then the unpaid amount of any such assessment or installment thereof shall become delinquent and shall, together with interest thereon as herein provided and costs of collection thereof, become a continuing personal obligation and debt of the nonpaying Owner secured by a self-executing lien (and may include a vendor's lien retained by Declarant) on the Lot or subdivided portion thereof, including all improvements thereon, to which such assessment or installment thereof pertains. The Association shall have the right to reject any partial payment of any assessment or installment thereof. The Association's acceptance of any partial payment tendered by an Owner shall neither relieve an Owner from his continued liability for the balance owed nor obligate the Association to accept any other partial payments. The unpaid amount of any assessment shall bear interest from its due date at eighteen percent (18%) per annum or the maximum legal rate of interest then prevailing, whichever is lesser. In addition, the Board may elect to retain the services of an attorney of its choice for the purposes of collecting any unpaid assessment and interest charges thereon, and/or to foreclose the lien against the property subject thereto and/or to pursue any other legal or equitable remedy which the Association may have and there shall be added to the amount of unpaid assessment and interest charges thereon, any and all collection costs incurred by the Association, whether judicial or nonjudicial, and including, but not limited to, reasonable attorney's fees and costs of legal suit.

13.12 Effect of Transfer on Unpaid Assessments. Except as provided in subsection 6.12 of the Declaration, the lien for any unpaid assessments shall be unaffected by any sale or transfer of a full or partial ownership interest in a Lot. In the event of full or partial sale or transfer of an ownership interest in a Lot, it shall be the sole obligation of the Owner selling or transferring such interest (and not the Association) to disclose to any buyer or transferee by written notice that an unpaid assessment and associated lien against the ownership interest exist prior to the date at which such sale or transfer is to be consummated. A copy of such notice shall be sent to the Association at the same time. Upon written request, the Association shall provide an Owner with a statement reflecting the amount of any unpaid or delinquent assessments with respect to a Lot owned by said Owner. A sale or

other transfer of title to such Lot shall not release such former Owner from said liability notwithstanding an assumption of liability by the purchaser or transferee.

13.13 Lien and Foreclosure. Upon delinquency, all sums assessed in the manner provided in the Declaration or Bylaws, together with all interest costs as herein provided shall be secured by the lien provided for under the terms of the Declaration. As further evidence and notice of such assessment lien, the Association may prepare a written notice of such lien setting forth the amount of delinquent indebtedness, the name of the Owner of property covered by such lien, and a description of the property. Such notice shall be signed by a duly authorized Officer of the Association and shall be recorded in the Office of the County Clerk of El Paso County, Texas, or such other place as may be required by law for the recording of liens affecting real property at such time as such notice is recorded. Such lien for payment of assessments shall attach from the date such payment becomes delinquent and may be enforced after recording said notice by any one or more of the following methods: (i) a nonjudicial foreclosure of such lien on the Lot, or subdivided portion thereof and any improvements thereon in a manner similar to a foreclosure of a mortgage on real property; (ii) suit against the Owner personally obligated to pay the assessment; and/or (iii) foreclosure of the aforesaid lien judicially. In any foreclosure proceeding whether judicial or nonjudicial, the Owner shall be required to pay the costs, expenses and reasonable attorney's fees incurred by the Association. The Association shall have the power to bid on the property being foreclosed.

13.14 Lien Subordination. Any lien established as provided for in the Declaration or these Bylaws, shall be subordinate and inferior to any mortgage or deed of trust in favor of any bank, savings and loan association, insurance company, pension fund, or other similar financial institution or other lender approved by the Board; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a foreclosure sale (whether public or private) of any such Lot pursuant to the terms and conditions of any such mortgage or deed of trust. No such foreclosure sale shall relieve a new Owner taking title at such sale from liability for the amount of any assessments thereafter becoming due or from a lien arising from any such subsequent assessment. Moreover, a lien for assessments shall be unaffected by a foreclosure of other than a first lien created by a mortgage or deed of trust.

13.15 Common Areas Exempt. All Common Areas shall be exempted from any assessments and any lien created herein.

13.16 Notice of Lien or Suit. Any Owner shall at the request of the Association give notice to the Association of every lien or encumbrance upon his Lot or subdivided portion thereon, other than for taxes and Assessments, and notice of every suit or other proceeding which may affect the title to his Lot or subdivided

portion thereon, and such notice shall be given within five (5) days after the Owner has knowledge thereof.

ARTICLE XIV. MAINTENANCE OF THE PROPERTY

The provisions of Section 7 of the Declaration, pertaining to maintenance, are incorporated herein by reference.

ARTICLE XV. INSURANCE

The provisions of Section 8 of the Declaration, pertaining to insurance, are incorporated herein by reference.

ARTICLE XVI. RESTORATION OF IMPROVEMENTS

The provisions of Section 9 of the Declaration, pertaining to restoration, are incorporated herein by reference.

ARTICLE XVII. ABATEMENT AND ENJOINMENT OF VIOLATIONS BY OWNERS

17.01 Abatement and Enjoinment. The violation of any rule or regulation, or the breach of any Bylaw, or the breach of any provision of the Declaration, shall give the Board of Trustees the right, in addition to any other rights set forth in the Declaration or herein: (i) to enter the Lot in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Owner, any person, thing or condition that may exist therein contrary to the intent and meaning of the provisions thereof or hereof, and the Board of Trustees shall not be deemed guilty in any manner of trespass; and to expel, remove and put out, using such force as may be necessary in so doing, without being liable to prosecution or any damages therefor; and (ii) to enjoin, abate, or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach. Notwithstanding any provision in these Bylaws or the Declaration to the contrary, no improvement on any Lot may be altered or demolished by the Association until after the institution of judicial proceedings to remedy the alleged violation or breach.

ARTICLE XVIII. COMMITTEES

18.01 Architectural Control Committee. The Board of Trustees shall establish and maintain an Architectural Control Committee consisting of not fewer than three (3) persons or more than five (5) persons appointed by the Board of Trustees. Members of the Board of Trustees may also be members of the Architectural Control Committee, and, if it so chooses, the Board of Trustees may sit as such committee. The Board shall have the exclusive right and authority at any time to appoint, remove and fill vacancies on the Architectural Control Committee.

(a) Function of Committee. The Architectural Control Committee shall have the rights, powers and obligations set forth in the Declaration.

(b) Interpretation. Approval of plans and specifications for any improvements shall be based upon a determination by the Architectural Control Committee as to whether or not in its judgment such plans and specifications adequately meet objectives established for THE WILLOWS, Unit Five, with regard to environmental and aesthetic excellence, as well as meeting certain functional and other requirements created by the Declaration, these Bylaws and development guidelines. Further, in reaching such decision, the Architectural Control Committee shall consider not only the appropriateness of specific improvements proposed on a particular Lot, but also how said Lot, if developed in the manner intended, would likely relate to and affect those improvements either existing on or intended for other Lots, and conformity to both the specific and general intentions of the Declaration. The Architectural Control Committee shall have full power and authority to make any such subjective judgments and to interpret the intent and provisions of the Declaration and these Bylaws and the development guidelines in such manner and with such results as such Architectural Control Committee may, in its sole discretion, deem appropriate.

(c) Limitation of Liability. The Declarant, the Association, the Board of Trustees or any of its members, and the Architectural Control Committee or any of its members shall not, individually or in combination, be liable for damages or otherwise to anyone submitting plans or specifications for approval or to any Owner of a Lot or any other person affected by an action taken with respect to such a submission by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or to disapprove any plans and specifications submitted.

18.02 Other Committees. The Board of Trustees, by resolution adopted by a majority of the Trustees in office, may designate one or more other committees including specific area committees, such as a Lake Committee. Except as otherwise provided in such resolution, members of such committee or committees shall be Members of the Association, and the President of the Association shall appoint the members thereof.

18.03 Term of Office. Each member of a committee shall continue as such until the next annual meeting of the Members of the Association or until his successor is appointed unless the committee shall be sooner terminated, or unless such member be removed from such committee, or unless such member shall cease to qualify as a member thereof, subject to the provisions of Section

6.6. Payment of Regular Annual Assessments. The Regular Annual Assessments provided for herein shall commence on a date fixed by the Board of Trustees and thereafter shall be due and payable in monthly installments, in advance, on the first day of the first month.

6.7. Payment of Special Assessments. Special Group Assessments, Special Member Assessments, shall be due and payable in full thirty (30) days following the date at which any such assessment is set by the Board of Trustees in the resolution adopting such assessment, or in installments as may be determined by the Board.

6.8. Collection and Enforcement. Each Member, by his assertion of title or claim of ownership or by his acceptance of a deed to a lot, whether or not it shall be so recited in such deed, shall be conclusively deemed to have expressly vested in the Association, and specifically the Board of Trustees, the right, power and authority to take all action which the Association and/or the Board of Trustees shall deem proper for the collection of assessments and/or for the enforcement and foreclosure of the liens securing the same.

6.9. Enforcement and Personal Obligation of Owners for Payment of Assessments. The Regular Annual Assessments, Special Group Assessments and Special Member Assessments provided for herein shall be the personal and individual debt of the Owner of a lot covered by such assessments. No Owner may, for any reason, exempt itself from liability for such assessments levied in accordance with the provisions of this Declaration or the Bylaws. In the event that any assessment or installment thereof is not paid when due, and remains unpaid for a period of thirty (30) days thereafter, then the unpaid amount of any such assessment or installment thereof shall become delinquent and shall, together with interest thereon as herein provided and costs of collection thereof, become a continuing personal obligation and debt of the non-paying Owner secured by a self-executing lien (and may include a vendor's lien retained by Declarant) on the lot or subdivided portion thereof, including all improvements thereon, to which such assessment or installment thereof pertains. The homestead rights of any Owner claimed in his or her lot are, by reason of the assessment liens created hereunder prior to establishment of any homestead, subject to the obligations to pay assessments, such preexisting assessment liabilities being an inherent characteristic of the property interest obtained by such homestead claimant to which such rights of homestead are subordinate and deemed waived by acceptance of a deed to any lot. The Association shall have the right to reject any partial payment of any assessment or installment thereof. The Association's acceptance of any partial payment tendered by an Owner shall neither relieve an Owner from his continued liability for the balance owed nor obligate the Association to accept any other partial payments. The unpaid amount of any assessment shall bear interest from its due date until paid at eighteen percent (18%) per annum or the maximum legal rate of interest then prevailing, whichever is less. In addition, the Board may retain the services of an attorney of its choice for the purposes of

18.01 of these Bylaws concerning the Architectural Control Committee.

18.04 Chairman. One member of each committee shall be appointed chairman by the President of the Association.

18.05 Vacancies. Vacancies in the membership of any committee may be filled by appointments made in the same manner as provided in the case of the original appointments, subject to the provisions of section 18.01 of these Bylaws concerning the Architectural Control Committee.

18.06 Quorum. Unless otherwise provided in the resolution of the Board of Trustees designating a committee, a majority of the whole committee shall constitute a quorum and the act of a majority of the members present at a meeting at which a quorum is present shall be the act of the committee.

18.07 Rules. Each committee may adopt rules for its own government not inconsistent with these Bylaws or with rules adopted by the Board of Trustees.

ARTICLE XIX. NONPROFIT ASSOCIATION

19.01 Nonprofit Association. This Association is not organized for profit. No Member, member of the Board of Trustees, officer or person from whom the Association may receive any property or funds shall receive or shall be lawfully entitled to receive any pecuniary profit from the operation thereof, and in no event shall any part of the funds or assets of the Association be paid as salary or compensation to, or distributed to or inure to the benefit of any member of the Board of Trustees, officer or Member; provided, however, always (1) that reasonable compensation may be paid to any Member, director or officer while acting as an agent or employee of the Association for services rendered in effecting one or more of the purposes of the Association, and (2) that any Member, director or officer may, from time to time, be reimbursed for his actual and reasonable expenses incurred in connection with the administration of the affairs of the Association.

ARTICLE XX. EXECUTION OF DOCUMENTS

20.01 Execution of Documents. The persons who shall be authorized to execute any and all contracts, documents, instruments, conveyances or encumbrances, including promissory notes, shall be two, one of each of the President or any Vice President, and the Secretary or any Assistant Secretary of the Association.

ARTICLE XXI. PROXY TO TRUST

21.01 Proxy to Trust. Owners shall have the right to irrevocably constitute and appoint their Mortgagees, their true and

lawful attorney to vote their Lot membership in this Association at any and all meetings of the Association and to vest in such beneficiary or his nominees any and all rights, privileges, and powers that they have as owners under these Bylaws of this Association or by virtue of the Declaration. Such proxy shall become effective upon the filing of a notice by the beneficiary with the Secretary or Assistant Secretary of the Association at such time or times as the beneficiary shall deem its security in jeopardy by reason of the failure, neglect, or refusal of the Association or the Owners to carry out their duties as set forth in the Declaration. Such proxy shall be valid until such time as a release of the beneficiary's deed of trust is executed and a copy thereof delivered to the Secretary or Assistant Secretary of the Association, which shall operate to revoke such proxy. Nothing herein contained shall be construed to relieve Owners or to impose upon the beneficiary of the Deed of Trust the duties and obligations of an Owner.

ARTICLE XXII. CONFLICTING OR INVALID PROVISIONS

22.01 Conflicting or Invalid Provisions. Notwithstanding anything contained herein to the contrary, should all or part of any Article of these Bylaws be in conflict with the provisions of the Texas Nonprofit Corporation Act or any other Texas law, such Act or law shall control; and should any part of these Bylaws be invalid or inoperative for any reason, the remaining parts, so far as is possible and is reasonable, shall be valid and operative.

ARTICLE XXIII. NOTICES

23.01 Notices. All notices to Members of the Association shall be given by delivering the same to each Owner in person or by depositing the notices in the U.S. Mail, postage prepaid, addressed to each Owner at the address last given by each Owner to the Secretary of the Association. If an Owner shall fail to give an address to the Secretary for mailing of such notices, all such notices shall be sent to the Lot of such Owner, and all Owners shall be deemed to have been given notice of the meetings upon the proper mailing of the notices to such addresses irrespective of the actual receipt of the notices by the Owners.

By our signatures hereto the undersigned, being all of the Trustees of the Association, hereby adopt the foregoing Amended and Restated Bylaws for the Association as of the ____ day of _____, 1993.

ARTICLE XXIV. AVAILABILITY OF DOCUMENTS

The Association shall maintain current copies of the Articles of Incorporation, the Declaration, these Bylaws, and all rules, regulations and other pertinent documents, including its books, records and financial statements. All such documents shall be made available for inspection by Owners, mortgage holders, insurers and

guarantors of first mortgages that are secured by Lots during normal business hours or at other reasonable times.
